

職業安全衛生政策

Occupational Safety & Health Policy

遵守法規及國際準則，消除危害與降低職安衛風險以建立安全健康的工作環境，推動工作者的參與與諮詢，持續改善以提升安全健康績效。

Comply with international safety and health regulations and standards, eliminate hazards and reduce occupational safety and health risks to establish a safe and healthy workplace, promote the consultation and participation of workers, and upgrade safety and health performance through continuous improvement.
